Blue Tongue update

The Mid-Somerset Show is committed to ensuring the health and safety of all participants and livestock. As of February 2025, bluetongue cases have been identified in parts of Somerset, leading to the establishment of restricted zones to control its spread. At the time of writing the Showground is not within the restricted zone, however it is your duty to check the updated restricted zone.

Competitors planning to bring animals to the show should adhere to the following guidelines:

- **Stay Informed:** Regularly check updates from the Department for Environment, Food & Rural Affairs (DEFRA) and the National Farmers' Union (NFU) for the latest information on bluetongue outbreaks and control measures.
- **Movement Restrictions:** Be aware of any movement restrictions in place within bluetongue control zones. Ensure compliance with all regulations when transporting animals to and from the show.
- **Health Checks:** Conduct thorough health inspections of your animals before attending the show. Look for symptoms such as fever, lesions, or nasal discharge, and consult a veterinarian if any signs are present.
- **Vaccination:** Discuss vaccination options with your veterinarian. While vaccines may not prevent infection entirely, they can reduce clinical signs and improve animal welfare.
- **Documentation:** Ensure all necessary health certifications and movement licenses are up to date and comply with current regulations before travel to the Show.

By following these guidelines, competitors can help maintain a safe and successful Mid-Somerset Show for all involved.

Cancellation policy: In the event the Show has to cancel sheep and/or cattle competitions due to Blue Tongue outbreaks and/or restrictions, the Mid-Somerset Show will offer competitors the following options:

- a) Full refund of entries
- b) Carry entries forward to the 2026 Show
- c) Donation of entries to support the Show

Updates will be given to competitors by the Show in accordance with government & veterinary advice.

All persons in charge of exhibits will be subject to the orders of the stewards and will be required to parade or exhibit the animals in their charge at such times as may be directed by the stewards. It is the exhibitors' responsibility to be in attendance at least ten minutes before the start time appointed for their class. No exhibitors shall be allowed to lead more than one animal at a time in the ring.

We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern. Furthermore, the Society & officials working on behalf of the society including ring stewards have the right to ask someone to dismount their horse or pony if they feel the rider is not of an appropriate size for the horse or pony they are riding.

NPS CLASSES

NPS Qualifying Rounds: These classes are judged under the Rules of the NPS. Ponies must be registered in any of the British Riding Pony studbook sections or the Ridden Register; the GSB; the AHSB; the AASB, or registered in the main body of their respective M&M Stud Book. Part bred are not eligible unless over stamped into one of the British Riding Pony studbook sections. or the Ridden Register. Qualifying rounds for most NPS competitions are open to ponies owned by NPS members and nonmembers but only ponies owned by adult NPS Qualifying or Life members are eligible to qualify for the final of the competition at the NPS Summer Championship Show at Malvern from 4th – 6th August 2026. The highest placed pony, if owned by an NPS member, in each class will qualify for the final. Qualification may pass down to third place if the first and second ponies are already qualified. NPS/WJT Insurance Brokers Ltd Home Produced Ridden Championship - Riders of Home Produced ponies (see definition in the NPS Rules Book) can wear a white arm band in classes where this is indicated. These ponies, if owned by NPS members, are then eligible to qualify for the final at the NPS Summer Championship Show. The Owner's Membership cards MUST be produced in the ring when requested or the qualification will be forfeit.

NPS Silver Medal Rosette Championships: These classes are judged under the Rules of the NPS. NPS Silver Medal Rosettes are only awarded when the owner of the champion pony is a Qualifying or Life member of the NPS. A valid membership card must be in the rider's/handler's possession on entering the ring and be produced immediately on request by either the judge or the steward. If the owner of the Champion pony is not a member, or the owner's membership card is not immediately produced, the rosette may be awarded to the Reserve Champion provided they have the required membership card. If the Champion pony has previously qualified it is still entitled to the Silver Medal Rosette, but the qualification card goes to the Reserve Champion pony, provided the owner of that pony is a member of the NPS. The Silver Medal Rosette and the qualification card can be awarded no lower than first Reserve (third). Fools are not eligible for Silver Medal Championships.
